

Certificate IV in Training and Assessment TAA40104

Our Certificate IV in Training and Assessment has been designed for participants who want to become qualified trainers to deliver accredited training in a RTO or TAFE environment. It applies to those who are experienced trainers, need an upgrade, are unqualified trainers, training coordinators or want to become a qualified trainer in their industry.

Target Participants

Experienced Trainers but unqualified. Trainers needing an upgrade. Training coordinators.

Benefits for the Participants

Certificate IV in Training and Assessment is considered a valuable qualification to many employers and organisations, and absolutely essential if you wish to become a teacher at an Australian TAFE or RTO. This Nationally Accredited qualification will enable you to develop the competencies required to perform the role of a skilled trainer, facilitator and assessor in the workplace, as well as in a Vocational Education and Training (VET) environment.

Certificate IV in Training and Assessment will enable you to pass on systematically and professionally the valuable skills and knowledge you have acquired across your lifetime to others.

Training through a reputable training organisation like Aspin Group, will provide you first-class and thorough training as a means to gaining your Certificate IV in Training and Assessment.
